**TERM 3 WEEK 3 2018**

## FROM THE CO-ORDINATOR OF POSITIVE EDUCATOR

You may have noticed that the words **Be Kind Work Hard** have started appearing more and more around our school and hopefully you're hearing them more too. These words are important to us because they are the simplest way of explaining what our school community need to do to be successful.

We show kindness to ourselves by keeping safe, keeping clean, drinking water, eating healthy food, positive thoughts and getting lots of sleep.

We show kindness to others by being fair, behaving safely, sharing with others, including others and considering others.

We show kindness for our environment by putting rubbish in the bin, caring for property and cleaning up after ourselves.

We show that we are working hard by trying new/more difficult things, being persistent, learning from mistakes, never giving up, giving your best effort and getting the work done.

We invite all members of our community to adopt these words and ways of being so that we can all flourish together.

*Thank you to all who have applied for School Card, we have had a great response already. If you still need to apply, please come into the Front Office anytime of the day to do the paperwork.*

# WORLD VISION FUNDRAISER

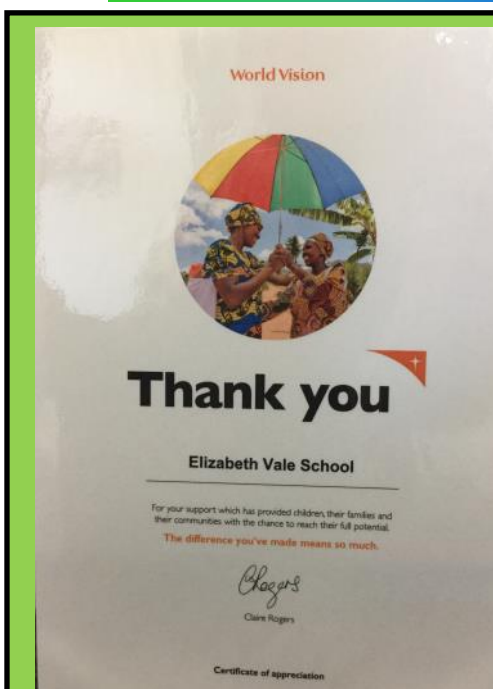

Last term, the school held a Cultural Dress Day.

Thank you to everyone who took part in our fundraising day, together we raised a total of \$135.85.

The money has been sent to World Vision on behalf of the school along with the letter (below) written by Dipjaan and Aayushma (Room 1)

## COMMUNITY NEWS

### A message from World Vision:

Thank you so much for your generous gift totalling **\$135.85**. Your contribution helps to improve the lives of children and communities in need all over the world.

With your kind donation, you are providing hope and opportunities. Your support empowers people to work their way out of poverty and build a better future.

Thank you for partnering with us to change lives. We could not do this without you

Room 17 have been using different instruments like egg shakers to learn about the beat and rhythm in music.

In Room 16, we have been learning to sing songs to guitar and designed our own guitars.

## Music in the Early Years

In Room 15 we have been enjoying learning about the basics of music such as the beat, rhythm and pitch.

Rooms 9 and 10 had a challenge: To predict which materials we could use to make the loudest shaker; rice, sand, coffee beans, pasta, marbles or rocks. We made our shakers and then tested our predictions.

## WELCOME TO THE VALE

Welcome to Elizabeth Vale school and community.

## THANK YOU

Some students in Room 3 learnt how to do finger stitching and Ashley's mum, Kirsty wanted to do it too. She loved it so much that she came back every day to collect more wool so she could stitch it at home. Soon we had an enormous pile of wool. When we stretched it out, it was very long. We wrapped it around the pillar in our corridor so everyone could see the beautiful colours when they come to visit our classroom.

**Thank you Kirsty!**

We really appreciate all your hard work

## COMMUNITY NEWS

Thank you.

Last term, we received a wonderful letter from Mr. & Mrs. Dewar, expressing how they felt when they saw our school garden recently.

They have sent some seeds that Mr Nick has planted.

Thank you for your kind words and seeds, we hope you keep coming back to see our garden.

9<sup>th</sup> June 2018  
 Dear gardening staff and students - when we came to vote at your school we were really impressed by your school garden - so healthy and no weeds. Congratulations! We're sending you a couple packets of seeds which might be useful. Did you know that forget-me-nots are the National Flower of Alaska? Good luck with your

future gardening and may you be gardeners for the rest of your lives.

Have you thought of entering the Royal Adelaide Show Schools Competition?

All the information you need is on their website.

With every good wish,  
 Tony & Bernice Dewar.
