

ELIZABETH VALE SCHOOL NEWSLETTER

TERM 2 WEEK 9, 2018

NEWS FROM THE DEPUTY PRINCIPAL'S DESK

WHOLE SCHOOL THEME: TERM 3

Each term we have a whole school theme, which teachers incorporate into their planning and teaching to give students opportunities for new learning.

In term 3, our whole school focus will be **The Arts: Music & Movement**.

Our goal is to further develop student's skills and understandings of music and the performing arts.

This means that throughout the term, incorporated through all curriculum areas, teachers will provide learning experiences that involve student participation in dance, percussion/rhythm, singing, instruments from various cultures and more.

We have professional dance teachers coming for 5 weeks to teach students some dance and several performances during the term for students to watch and take part in.

Next term we also have Book Week which will include a performance and dress up day under the mini theme 'Find Your Treasure'.

We look forward to another fantastic term!

Thank you to all who have applied for School Card. We have had a great response already. If you still need to apply, please come into the Front Office anytime of the day to do the paperwork.

Tuesday 3rd July & Thurs 5th July

9 am – 10:30 am

Come and see our brand new facilities

School Banking arrives at Pathways!

Early in Term 2, the Pathways students and families celebrated the launch of school banking. The banking program will run in conjunction with the Pathways financial Literacy shopping program every Thursday.

The students were excited to host a special assembly for our families with Sonia (our banking representative) and Pat the dog providing each student with a special gift bag to celebrate the introduction of student banking. Students and families also celebrated with a shared morning tea.

Each Thursday, participating students bring in their savings and bank book to bank. Students work towards collecting Dollarmites to earn rewards. Some students even bank the change from their shopping as no minimum deposit is required.

The banking and financial Literacy shopping program is implemented in conjunction to teach our students the value of saving money and money skills with real life context.
