Be Kind.....Work Hard

Recently, the government has confirmed that year 7 public school students will be taught in high school from term 1, 2022.

The move will align South Australia's public schools with the national curriculum taught in high schools making it easier to deliver subjects and improve outcomes for students.

Access to dedicated facilities and resources and exposure to different teaching styles will also give each year 7 student opportunities for deeper learning, greater peer interactions, and greater independence and responsibility.

For more information visit www.education.sa.gov.au/7tohs

IELC NEWS

Congratulations to the IELC students from Room 22 who have received recognition from the RSL for participating in the "Anzac Banner Competition".

The students designed and painted their own poppy onto a shared canvas. Their banner was to acknowledge and honour the sacrifice of those who defended our values during WW1.

It is to be included into a quilted banner (of 100 segments) and placed on display in Semaphore at the Port Adelaide RSL.

Term 4 in the Preschool

We are exploring different types of transport. We have been investigating the wheels on cars, trucks, trains and bikes. We are going on an excursion to the Road Safety School in week 5!

In Numeracy we are learning about the difference between day and night and where the sun goes!

Construction is underway in our yard!

We sorted pictures of things we do during the day and night.
