TERM 2 WEEK 7 2020

NEWS FROM MS ANDREENA

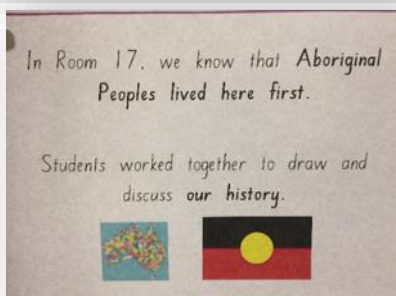

National Reconciliation Week

27th May to 3rd June

2020 Theme: In This Together

Across the school, students engaged in learning activities relating to Reconciliation Week. It is a time to consider the history of Australia and how we can all work together on our journey towards reconciliation. The theme for this year encourages us to all think about how our actions as individuals and as a community impact on reconciliation. It is about acknowledging the past, and valuing Aboriginal and Torres Strait Islander peoples' cultures and their rights. Our actions and learning go beyond this one week and need to be continued every day to move forward as one nation.

The boats came and some Aboriginal people died.
